

Patron Accounts for Libraries

When SCF items are requested and sent to neighboring libraries, they are checked out to patron accounts in the SCF IZ that represent each library pickup location.

These user accounts have the following characteristics

- **First & Last Name** : the name of the library
- **Preferred First & Last Name:** Deliver To: [Library abbreviation]
 - This is the name that is printed on the SCF Pull slips
- **Primary identifier:** [Institution code]-[Library code]
 - The Primary identifier is used by the Remote Storage App to create requests and loans. This should never be edited!
- **User Group** : Library Pickup Locations
 - The Library Pickup Locations user group is configured for all requests to be personal home delivery.
